

INTO THE NEXT DIMENSION!

A King of the Air kite that's user friendly enough for many people to ride. Sounds unreal? From your first loops to the biggest doubles with massive airtime. Dream it, feel it, do it.

If your biggest love is to blast around on a twin-tip sending it big, whether you're already pulling kite loops, or are serious about learning them, the Vortex is for you.

If you're absolutely dedicated to big air and are a seasoned kite loop specialist, then the Vortex will help you reach the next dimension with confidence, knowing that it will not only catch you, but deliver more lift after the loop, too.

Imagine the Edge, with magic dust.
